力森公司简介

DAL 2016.

安徽力森装饰材料有限公司成立于2016年，位于中国安徽省黄山市。我们是一家专注于水性漆涂装精板的高新技术制造企业，占地30余亩，拥有自建标准厂房15000平米。作为专业生产木皮水性漆涂装系统板材的制造商，我们拥有严谨的生产工艺和完善的产品体系。

多年来，我们在木作水漆涂装领域积累了丰富的经验，并持续创新，每次产品研发和改良都受到市场的热烈追捧。我们始终关注未来用户需求，满足当代80、90后中高端消费群体对产品质感的极致追求。为此，我们重大投资，致力于研发木皮精板水漆涂装产品系统，为定制家具企业提供全方位的解决方案，包括产品、技术和配套材料等。

我们自主创立了涂装精板品牌KCT，其中KCT代表专注、创新和时效。这些价值观贯穿于力森团队的每位员工，使我们成为国内首家推出口木皮水漆精板产品的公司。

我们的产品花色工艺定位结合了国际顶尖品牌Poliform、LEMA、Moi teni & C等的花色定位和涂装工艺技术。采用德国原装进口水性漆、顶级进口天然木皮、意大利ALPI/德国科尔艺术木皮以及华洲集团ENF级OSB板材等优质原材料。同时，我们充分考虑国内定制行业市场趋势，确保公司产品在色彩、质感和环保方面达到国内顶尖水平，具备行业内的差异化核心竞争优势。

力森公司由三位在定制行业拥有多年经验的好友共同创立。他们分别在设计应用、产品开发和落地等方面具备丰富的专业涵养，并积累了在欧洲各国的游学经历。我们的团队年轻而经验丰富，注重材质本身的自然质感和精准的比例处理，在产品开发上追求务精不务多。我们充分考虑客户生产和终端落地场景，并提供技术落地解决方案。

我们并不完美，但我们一直追求打造国内高品质、高颜值、高效率、高性价比的木作涂装精板品牌。我们希望能让我们的客户在时代的洪流中脱颖而出，成为引领行业的先锋。以专业和真诚的态度，竭诚为您提供卓越的产品和服务。

COMPANY PROFILE

Anhui Lisen Decorative Materials Co., Ltd. was established in 2016 and is located in Shexian County, Huangshan, Anhui Province, covering an area of over 30 acres. It has a self-built standard factory building of 15,000 square meters. We are a high-tech manufacturing enterprise specializing in the production of wood veneer water-based paint coating system panels. With rigorous production processes, a comprehensive product system, and years of experience and accumulation in the field of wood paint coating, coupled with a spirit of continuous innovation, every product we develop or improve receives great market acclaim.

Looking ahead to future customer demands and catering to the ultimate pursuit of product texture by the middle-to-high-end consumer groups of the 80s and 90s, we have made significant investments in researching and developing wood veneer precision board water-based paint coating products. We focus on providing customized furniture enterprises with a complete set of solutions, including products, technology, and supporting materials. We have also established our own coating precision board brand, KCT, which represents dedication, innovation, and timeliness, and is ingrained in the DNA of every employee in the Lisen team. We have become the first company in China to launch imported wood veneer water-based paint precision board products.

Our product color and craftsmanship positioning combines with the color positioning and coating technology of top international brands such as Poliform, LEMA, and Moiteni&C. The raw materials for our products include German-imported water-based paint, top-grade imported natural wood veneer, ALPI from Italy/Germany's Coeur d'Art wood veneer, and Huazhou Group's ENF-grade OSB board. We also fully consider the market trends in the domestic custom industry to ensure that our company's products reach the top level in terms of color, texture, and environmental protection, providing us with differentiated core competitive advantages in the industry.

Lisen Company was co-founded by three friends in the custom industry. They have years of industry experience and rich professional cultivation in design application, product development, and technology implementation. They have also gained years of study abroad experiences in various European countries, forming a young and experienced team. In terms of design, we emphasize the natural texture of the material itself and precise proportion handling. In product development, we follow the principle of precision rather than quantity, and in technology implementation, we fully consider customer production and end-use scenarios, providing technical implementation solutions.

We are not perfect, but on the path ahead, we have been striving to create a high-quality, aesthetically pleasing, efficient, and cost-effective wood paint coating precision board brand in China, allowing our customers to stand out in the tide of the times.

暖秋余韵

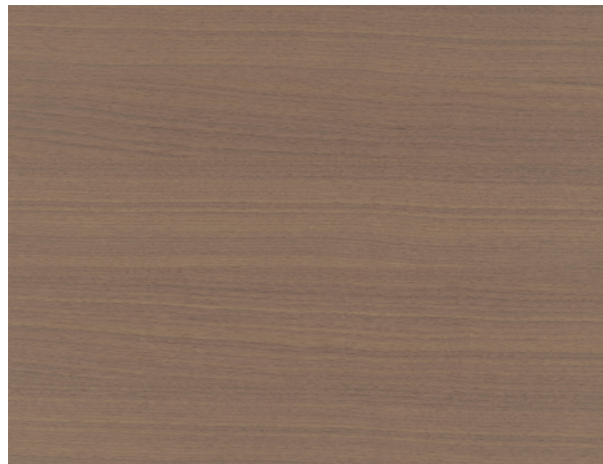

K-H101

黑胡桃的“黑”，不是传统认知中的黑色，而是一种神秘的深木色，正是这种深木色，给予它一份奇异的华贵，就像埃及艳后的眼眸，一眼万年。黑胡桃木是一种珍贵木材，是制作家居产品的高档材质。当黑胡桃木遇上新中式，又会演绎怎样的风情？

wood & veneer

Black Walnut's "black" is not the conventional black color, but a mysterious deep wood hue. It is precisely this deep wood tone that bestows upon it a peculiar grandeur, akin to the eyes of Cleopatra, timeless and captivating. Black Walnut is a precious wood, known for its high-end quality in crafting home furnishings. When Black Walnut meets Chinese contemporary style, what kind of charm will it unveil?

清雅墨韵

K-H102

零度半透工艺，通过淡淡的实色与木纹的天然纹理相互映衬，营造出内敛、舒适的家居氛围，与现代人对家具风格和效果需求形成了高度契合。零度半透工艺，也是定制家具领域消费者接受度和喜爱度比较高的一款工艺效果。

wood & veneer

Zero Gloss Semi-Transparent Technique, with its subtle solid colors complementing the natural grain texture, creates a restrained and cozy atmosphere in home interiors, perfectly aligning with modern furniture styles and preferences. The Zero Gloss Semi-Transparent Technique is also highly favored by consumers in the custom furniture industry due to its widely accepted and admired aesthetic.

"Clear and Elegant Ink Melody," this wood veneer board is equally suitable for both traditional Chinese style and modern eclectic design.

For the traditional Chinese style, the deep coffee tones of "Clear and Elegant Ink Melody" complement traditional Chinese furniture and elements harmoniously. The rich color of North American Black Walnut enhances the classical and elegant essence of the Chinese style. Moreover, the natural grain patterns and distinctive color variations of black walnut resonate with the natural elements often found in Chinese culture, infusing the space with a sense of natural harmony.

On the other hand, for modern eclectic design, "Clear and Elegant Ink Melody" is a remarkable choice. Its deep and lustrous color complements modern furniture and elements, adding depth and richness to the space. The wood's inherent grain patterns and color variations infuse the decor with an artistic allure, highlighting the individuality and contemporary charm of the eclectic design style.

"Clear and Elegant Ink Melody" wood veneer board boasts a unique and versatile beauty, making it a perfect fit for different design styles. Whether in the traditional Chinese style or the modern eclectic design, "Clear and Elegant Ink Melody" brings a touch of poetic and artistic charm to the space, allowing you to unleash your creativity and create a distinctive living environment.

CLEAR ANDELEGANT INK MELODY

“清雅墨韵”这款木皮单板兼具适用于中式风格和现代多元素运用的设计风格。

对于中式风格，“清雅墨韵”的北美黑胡桃深咖色与传统中式家具和元素相得益彰。其深沉的色调与传统木材饰面相得益彰，凸显了中式风格的古典和优雅。同时，黑胡桃木的本身纹理和色彩变化与中式文化中的自然元素相呼应，为中式风格增添了一份自然和谐的美感。

而对于现代多元素运用的设计风格，“清雅墨韵”的北美黑胡桃深咖色则是一款出色的选择。其深邃的色调与现代家具和元素相得益彰，增加了空间的层次感和深度。在现代风格中，黑胡桃木的自然纹理和独特的色调变化为空间注入了一份独特的艺术氛围，突显了现代风格的个性和时尚。

“清雅墨韵”这款木皮单板拥有独特而多样化的美感，使它在不同设计风格的应用中都能展现出其独特魅力。无论是传统的中式风格还是现代多元素运用的设计，“清雅墨韵”都能为空间带来一份独特的诗意和韵味，让您尽情发挥创意，打造一个与众不同的居住空间。

À LATTES LAQUÉ - EN LISTONES LACADO -
LATTEN LACKIERT - ПОЛОСЧАТЫЕ ЛАКОВЫЙ

“Clear and Elegant Ink Melody,” this wood veneer board is equally suitable for both traditional Chinese style and modern eclectic design.

For the traditional Chinese style, the deep coffee tones of “Clear and Elegant Ink Melody” complement traditional Chinese furniture and elements harmoniously. The rich color of North American Black Walnut enhances the classical and elegant essence of the Chinese style. Moreover, the natural grain patterns and distinctive color variations of black walnut resonate with the natural elements often found in Chinese culture, infusing the space with a sense of natural harmony.

On the other hand, for modern eclectic design, “Clear and Elegant Ink Melody” is a remarkable choice. Its deep and lustrous color complements modern furniture and elements, adding depth and richness to the space. The wood’s inherent grain patterns and color variations infuse the decor with an artistic allure, highlighting the individuality and contemporary charm of the eclectic design style.

“Clear and Elegant Ink Melody” wood veneer board boasts a unique and versatile beauty, making it a perfect fit for different design styles. Whether in the traditional Chinese style or the modern eclectic design, “Clear and Elegant Ink Melody” brings a touch of poetic and artistic charm to the space, allowing you to unleash your creativity and create a distinctive living environment.

Product advantages

Fast production efficiency

Significantly shorten the production cycle of painted products, much faster than the traditional woodworking factories that typically take 50-60 days.

Competitive pricing

Our coated boards are priced on average 30% lower than woodworking alternatives.

Breakthrough in craftsmanship

Break free from the limitations of traditional craftsmanship by offering one-stop production of furniture combining painted and non-painted components. No need to place separate orders with different factories.

Environmentally friendly water-based paint

We use imported water-based paint from Germany, providing superior painting results and greater environmental friendliness.

Stable and eco-friendly substrate

Our products feature the use of ENF-grade large flake chipboard from Huazhou, known for its low deformation coefficient, ensuring stability and environmental sustainability.

Comprehensive support and technical assistance

We provide a full range of supporting products, along with technical solutions, to meet customers' needs for cabinets and wall units. Our dedicated support team ensures complete service and guidance.

Unique texture

Using woodworking painting techniques, our products offer a consistent texture comparable to traditional woodworking. They stand out from the market saturated with UV and laser products, gaining popularity among customers and designers alike.
